

B.KEOGH & SONS

MANUFACTURING PTY LTD

Swing Away Auger : a must have for serious grain movement. Designed from the ground up, the HAWK-EQUIP Swing Away Auger System is easily used, designed with servicing in mind and made in the 'expected' extra heavy fashion KEOGH'S are renowned for. The main auger is PTO driven with this drive also powering the hopper and incline auger. The lift of the unit is achieved via tractor hydraulics.

Standard issue for the Swing Away Auger is :-

- Large RHS sections for the undercarriage assembly (frame),
- Minimum of 16" Bedford truck wheels,
- All units include a 540 RPM PTO shaft with clutch,
- All units incorporate the unique 'LIFT ASSIST SWING ARM' frame for easy raising of the auger at low angles,
- Standard 1.5 meter (5') hopper with an optional 3 meter (10') unit available.

B. Keogh & Sons Manufacturing Pty Ltd is Australia's trusted name in commodity handling equipment. For more than 45 years KEOGH'S have been developing and manufacturing grain handling products to meet the needs of rural and commercial producers. In an industry where experience and quality do matter B. Keogh & Sons Manufacturing Pty Ltd is the undisputed leader.

B. Keogh & Sons Manufacturing Pty Ltd – the manufacturers of the trusted and renowned HAWK-EQUIP range of products.
